

Dr. Seuss

Written by Helen Lester

Here is Dr. Seuss. You can call him Ted. His mom and dad did!
Ted was a funny man. Ted would draw pictures. Here is a fun picture.
Ted would write, too. Ted wrote **The Cat in the Hat**. **The Cat in the Hat** was a big hit! Can you find **The Cat in the Hat**? Ted had many big hits after **The Cat and the Hat**. Ted would write rhymes. Can you find some here? It was fun to hear Ted read. Now kids can see animals from his books. Dr. Seuss is still a big hit with kids today.
