Once upon a time, Jack sat on a big hill. Jack had every sheep

with him. "It is not fun to sit," said Jack. "I will yell Wolf for fun!"

His friends ran up the hill to help. They did not see Wolf. Jack sat

back on the hill. I will yell Wolf! His friends ran back up the hill. They

did not see Wolf. Jack sat back on the hill. Wolf got up on a rock!

Jack and his sheep ran away. "Did you hear me call?" said Jack. "You

did not come." "You cannot trick us," said Nell. "I will be good," said

Jack. "I will not trick you."
